Frozen Fun Fly

It's time once again, for the annual New years day "FROZEN FLY"!

This years event will be at the Westwood middle school, due to the amount of snow that has recently fallen, it will be held in the parking lot, just south of where we have been flying.

It will start 11:00 am and run until 1:00pm
As in the past, everyone who gets in a flight, will win a prize.

The weather forecast is for breezy and cool, but what do we care!

Bob will be providing heat, so that there will be Hot chocolate, and of course, Karen's world famous Chili.

See you all there!

Building Sessions

Building sessions, the first of three scheduled, will begin on Sunday, January 3rd, from 10:00am until 3-4pm. The second will be the first Sunday of February 7th, the third to be the first Sunday of March, the 6th. All sessions start at the same time, 10am.

As you know it will be at the EAA hangar, where we have our club meetings.
